MEMORANDUM FOR: Chief of Operations, DD/P

SUBJECT : 25X1A9a

25X1A9a 1. Yesterday I received a very friendly letter from 25X1A9a about his compensation case. He expressed himself very grateful for my efforts and generally seemed free from bitterness. It is hard to tell how this would affect an approach on other matters, but if you are going to him for some operational assistance my hunch is he will do what he can.

2. I do not see why we couldn't pay him something for any consultations we have on a fee basis, provided we keep it clear at all times that this does not in any way affect the decision on his employment. If you are going to approach him, perhaps I can be of some assistance in laying groundwork, and in any case I would like to talk to the Agency representative who may be approaching him on how to approach the payment problem without getting involved in the sticky matter of his termination.

3. I have written Lou a letter of acknowledgment.
